

## Utah's Statewide Mass Casualty Victim Response Team

**Mission:** Our purpose is to address the immediate, short and long term needs of victims, their family members, and a community impacted by mass violence. We assist in facilitating access to local, state, and federal resources in order to provide support and a continuum of care.

**Scope:** This plan is designed for any mass casualty crime related incident that requires additional victim advocates than the jurisdiction has available. The team may be invited by the jurisdiction where the incident occurs to provide victim assistance under the guidance of the jurisdiction.

The team's activities may include:

- 1) providing resources and support victims and witnesses
- 2) crisis intervention/on scene support
- 3) status updates
- 4) reparations
- 5) death notification
- 6) staffing and support at the Family Assistance Center
- 7) reunification
